

Medical/Medical Attendant Visa

Document Checklist for Medical/Medical attendant Visa

1. Online visa application (printed, signed)
2. Passport (passport must be valid for minimum 6 months from the date you arrive back from India. Note that your passport at the time of submission must hold at least two empty pages). All Non-Norwegians (i.e. foreign passport holders) should submit the copy of their residence permit. If an applicant holds dual nationality, then he/she should submit preferably both the passports. If not, should at least submit copy of the second passport (First & last page, visa pages).
3. Photograph (colored with white background and 50 * 50 mm in size).
4. Telex form for visa clearance for Non-Norwegian (place of birth indifferent country or holds previous nationality or has different nationality)
5. Visa fees (you can pay by cash or an EFT)
6. Letter from the doctor on the hospital letterhead stating the purpose of your travel to India.
